

Formats

Our LitPlan Teacher Packs™ and Puzzle Packs™ come in three formats:

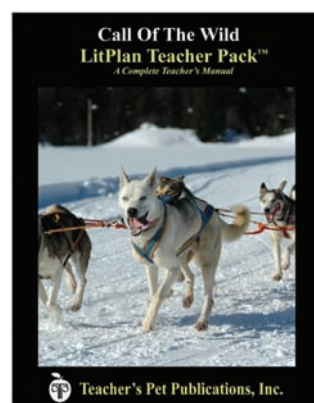

**Electronic Document (Download)
CD-ROM
Printed**

When you place your order, you need to decide in what form you want your materials.

The information included is the same no matter what format you order.

PRINTED

In printed form, our manuals now come perfect-bound. Essentially, when the package arrives you can walk into class with it and begin teaching. When you order on-line, the e-doc is also included so the materials are available for you to use while you are waiting for the mail to arrive and so you can reprint pages that may become damaged or worn. The cost is \$29.95 plus shipping per title.

CD-ROM

Our original manuals were bound in 3-ring binders, but many of our customers told us they wanted a lighter, more compact product--easier to take from home to school and back. So, we made our materials available on CD-ROM. The CDs include Adobe Acrobat Reader in both Mac and PC platforms as well as the LitPlan Teacher Pack™ or Puzzle Pack™ file. To access the materials, simply open the file up in Adobe Acrobat Reader. You can print single, multiple, or all pages for your classroom use. When you order on-line, the e-doc is also included so the materials are available for you to use while you are waiting for the CD to arrive in the mail. The cost is \$19.95 plus shipping per title.

ELECTRONIC DOCUMENT (DOWNLOAD)

When you order an e-doc from our web site, you create an account with your email address and a password and as soon as your order is placed, the document you ordered is available immediately in your account, no matter what time of day or night. The document is a file used with Adobe Acrobat Reader. When you open your document in Acrobat Reader, you simply save it to your computer to retain it for future use. Your document(s) will stay in your on-line account for 30 days, allowing ample time for saving. This is the least expensive and fastest way to acquire your LitPlan Teacher Pack™ or Puzzle Pack.™ The cost is \$16.95 per title.
