

Hatchet Multiple Choice 6-7

Chapters 6-7

© 2021 TPP

* Required

1. Your Name: Last, First *

2. What did Brian think about that helped him find food? *

1 point

Mark only one oval.

- ☐ A. He thought about a book he had read about a man who was stranded on an island and how he found food.
- ☐ B. He thought about a television show about a survival course for air force pilots.
- ☐ C. He thought about his Eagle Scout survival course and finding berries in the woods.
- ☐ D. He thought about camping and fishing with his friend, Terry.

3. What was Brian's reaction when he saw his reflection in the lake? *

1 point

Mark only one oval.

- ☐ A. He cheered because he was alive.
- ☐ B. He was excited to see that he was beginning to grow a beard.
- ☐ C. He cried out of self pity for several minutes.
- ☐ D. He threw stones to destroy the reflection because he looked so ugly.

4. What did Brian do after his illness from the gut cherries? *

1 point

Mark only one oval.

- ☐ A. He realized that he should only eat a small amount at a time so that he would not get sick again.
- ☐ B. He crushed them inside his jacket and drank the juice.
- ☐ C. He was afraid to eat any more of them, so he threw the rest of them out.
- ☐ D. He ate some grass to help his stomach settle down again.

5. Brian saw a bear close up. Describe what he did after the bear left. *

1 point

Mark only one oval.

- ☐ A. He lay on the ground and screamed and shook in fear. Then he got up and went to look for berry bushes in another part of the forest.
- ☐ B. Brian made a sound of fear and ran in the opposite direction. Then he realized the bear was not interested in him, so he kept picking raspberries.
- ☐ C. He used his hatchet to make a spear to use in case the bear attacked him.
- ☐ D. He ran back to his shelter and hid there for two days. He practiced loud yells that he thought would scare the bear.

6. Why did Brian stay near the lake? *

1 point

Mark only one oval.

- ☐ A. He thought he could see how the beavers' dam was constructed, to give him ideas about how to build a shelter.
- ☐ B. He thought someone in a search plane might see the plane in the water and didn't want to be far away in case people looked for him there.
- ☐ C. He needed the fresh water and fish from the lake.
- ☐ D. His body was too banged up to travel far into the woods.

7. Why did Brian make his shelter on the north side of the ridge? *

1 point

Mark only one oval.

- ☐ A. There were fewer mosquitos and flies on the north side of the ridge.
- ☐ B. There was a scoop in the rock there with an overhang that would be good protection from the weather.
- ☐ C. He would have a better view of the lake from the north side.
- ☐ D. There was a clearing on the north side where he could be seen better by any search planes that would be looking for him.

8. How did Brian feel as the rain was pouring down outside? *

1 point

Mark only one oval.

- ☐ A. He felt pretty good. He lay back, drinking syrup from the berries, dry and with the pain and stiffness almost all gone, with a full belly.
- ☐ B. He felt sick. The berry juice didn't sit well in his stomach, he was tired and aching, and he just wanted to sleep.
- ☐ C. He was scared. He was afraid the bear would smell his berry stash and come into his "home" to get the berries.
- ☐ D. Once he was full, Brian went into planning mode. He became thoughtful--busy thinking about all the things he needed to do over the next few days while waiting to be rescued.
