Bingo Directions

Print the cards.

Cut the pages in half so each card is separate.

Laminate them if you want to.

Distribute cards to your students with something to use as markers--beans, M&Ms, paper squares, whatever....

Call out the clues in this list in a random order. Have students respond with the correct answer then mark their bingo cards if they have that word.

Just like regular bingo, 5 in a row wins.

Have students swap cards and repeat as often as you want!

Have fun!
